Welcome [Agents Name]

Welcome to CaravanSheet.com, "The Real Estate Agent Property Posting and Flyer Distribution Service". Below is a brief description of how CaravanSheet can assist you in getting the word out about all your listed properties quick effectively and free.

Properties
You can insert all your listed properties by clicking on "Properties" above and enter all of your properties that you have listed and select the length of time you wish to have them show up on our service. You can also choose to put your listing in Caravan for next Tuesday and add remarks such as, "Luncheon with Chicken Salad". From here you can manage all of your properties as well as events you might attach to those properties such as "Caravan".

Flyers
Once you have a property in CaravanSheet you can then create a creative flyer to attach to your property summary. So when other real estate agents pull up your property summary in their search you will also have a flyer for them to print up and take with them. Other benefits to having a flyer on CaravanSheet include: 1) A more detailed summary of your property with a photo. 2) Complementary web site for your clients to view your flyers over the internet. What is the cost to post a flyer? \$12 for two weeks, and \$20 for one month.

Profile
If you have a flyer on CaravanSheet they you will want to fill out your "Profile" listed above. Here you can add information about yourself, your experiences as a real estate agent your accreditations etc. whatever you would want your clients to read about you. This information will appear on your complementary web site. Also in "Profile" you can set up "Delegations" this can allow other agent members or assistants in your office to enter information on your behalf.

Search
If you wish to search for a property that other agents have posted on CaravanSheet then choose the "Search" above and select the criteria you wish to search by. Your result will remember you can save your searches by giving them a name. Once you have saved a search you can set up an alert to notify you by email as often as you wish about new properties that fit that search criteria.

Other Services
Referral Service
Every time you refer another agent who becomes a member you receive a free flyer for one month. The person you refer must identify you in our list of agents in the referred box when creating a membership for the first time for you to get credit.

Enjoy your visit to CaravanSheet!

Welcome to the heart of CaravanSheet's flyer creation process. Below surrounded in blue is the template selector. Below the template selector are examples of flyer and Realtor information templates. Once you have decided which templates and font you wish to use make your selections from the drop down menus on each then check the "Build Flyer" box and click the "Update" button. What will appear next are "Edit" buttons for both the Property and Realtor information. This is how you enter in your flyer information for each. Once you have entered in all of your information correctly for both hit update and the view button will appear to the far right of the template selector. Click on the view button to view how your flyer appears.
